

# REPUBLIC STAGGARD TREAD TIRES

A car equipped with Republic Staggard Tread tires is under complete control on wet and slimy pavements. The wheels will follow your slightest direction without slipping or skidding.

## The Motorist Safeguard

The big solid rubber studs are arranged in six rows on the tread in such a way that they exert a positive resistance to side pressure from any direction at angles with the straight course and so make slipping or skidding impossible. Get a copy of our book "The Tire Perfect." Sent free on request.
